

CAMPING ALBUFEIRA - REOPENING - 09 JUNE 2020

Camping Albufeira opened its doors to owners of accommodation installed in the campsite, on the 25th of May. The time has come to reopen the doors to our campers and caravanners from next 09th June 2020.

After authorization to reopen the campsites on the 18th of May 2020, *Camping Albufeira* management chose to organize and schedule a thoughtful and responsible reopening, in order to safeguard all the measures required and recommended by law.

Camping Albufeira is committed to **the Clean & Safe Seal** awarded by **Turismo de Portugal** and reopens with new standards in the context of the pandemic, which include reinforcement of hygiene and disinfection procedures for sanitary blocks, surfaces, equipment and common areas, reinforcement of the team and extension of the cleaning time of the sanitary blocks (from 7 am to midnight), implementation of a *Contingency Plan*, new internal protocols for safety procedures for employees in each sector according to DGS recommendations, measurement of daily temperature of employees as well as special attention possible symptoms; With regard to the reception, check-in will be carried out only by the registration holder having to keep the companions abroad, limiting the number of people inside the reception, recommendation for payments in reception to be made with contactless cards or MBWAY, use of a mask in enclosed spaces, limited entry of people in enclosed spaces, limited to 2/3 occupancy of the campsite, minimum distance between camping equipment of 3 meters, application of social distance, the entrance of visits is prohibited as well as people who are not users of the campsite control of suppliers entrance, placement of disinfectant dispensers at the entrance / exit of all enclosed spaces and pool enclosures.

Swimming Pools - The swimming pools as well as their enclosure are closed without opening date as they are undergoing requalification work and we are awaiting regulation for recreational pools as well as recommendations for their use by the DGS which should happen anytime. Contrary to the usual, the swimming pool enclosure will have limited capacity and access in order to comply with the rules imposed by the regulatory authorities.

Playground- As we consider that it is not possible to comply with the constant control and hygiene of the playground, it will be closed during this summer season.

Accommodation - implemented all the guidelines and recommendations by the DGS, purchase of equipment for the purification and disinfection of the accommodation upon departure, implementation of new rules, namely new check-in and check-out times in order to allow the entire process of hygiene and disinfection is done in the best conditions and in a safe way.

With regard to the restaurant, supermarket and aesthetics store, all measures and regulations imposed by the regulatory authorities will be complied with, despite the establishments mentioned are not the responsibility of the administration of *Camping Albufeira*, as they are in operation with other persons.

Services closed by today: children's playground, swimming pools, pool bar, self service, pizzeria, restaurant, boteco bar, sherezade bar, games room and kiosk. We will inform on social networks opening.

Services operating by today: reception, supermarket, restaurant and bar, beauty shop / hairdresser, sanitary blocks nº 2 and 5.

Preventive measures, new rules and all necessary information will soon be available on our website as well as social networks, for consultation.

We look forward to our campers with open arms, with the expectation of continuing to provide quality service and above all safe for everyone.
